

GLOBAL SUSTAINABLE  
DEVELOPMENT REPORT

# ONLINE BRIEFING WITH LOCAL & REGIONAL GOVERNMENTS

**MONDAY, 23 MARCH 2020  
9:30-11 A.M. EST**

Join this online briefing on ways in which the local and regional governments can take urgent, targeted action to avoid reversing the development gains of recent decades, based on the findings of the 2019 Global Sustainable Development Report. Substantive experts from the United Nations Department of Economic and Social Affairs will brief participants on the science-based recommendations of the independent panel of scientists commissioned by the UN Secretary-General to prepare the report.
