

## SDG GOOD PRACTICES – Second Open call

### Questions on the Submission Form

Please, use this document to review the information requested on the online form for the submission of SDG Good Practices

**All submissions MUST ONLY be submitted via the online form.**

- SDG Good Practices can be submitted until **28 February 2021**.
- Do not register proposals. Register concrete practices with tangible outcomes in support of SDG implementation.
- Please, **check the maximum number of characters allowed for each response**. Excess characters will not be considered.
- **We strongly encourage preparing the responses in advance before starting to fill the form here: <https://www.surveymonkey.com/r/SDGGoodPractices2>.**
- The form is available in English ONLY, but submissions can be made in English, Spanish and French.
- **All submissions marked with an asterisk (\*) require an answer**
- For more information, please access: <https://sdgs.un.org/sdg-good-practices>

### Contact Information

\* First name **(max 127 characters including spaces)**

\* Last name **(max 127 characters including spaces)**

\* Organization's name

\* Organization website

Title **(max 255 characters)**

Telephone **(max 255 characters)**

\* Email **(max 255 characters)**

## Basic Information

\* **Title of practice (max 255 characters including spaces)**

*Please do not add names of persons here.*

\* **Lead entity name (max 255 characters including spaces)**

\* **Lead entity type** (select **one** by clicking in the box)

- Government
- Local/Regional Government
- United Nations/Multilateral Body
- Intergovernmental organization
- Non-governmental Organization(NGO)
- Civil society organization
- Academic institution
- Scientific community
- Private sector
- Philanthropic Organization
- Other relevant actor
- Partnership

\* **Region** (Focus of the Practice - **select all that apply**)

- Africa
- Europe
- Asia and Pacific
- North America
- Latin America and the Caribbean
- West Asia
- Global

\* **Country (Focus of the Practice)**

**Geographical coverage (max 255 characters including spaces)**

Please, reply here if your practice is implemented in more than one country. Please, also indicate if your practice is implemented at sub-national level and where.

\* **Is this a multi-stakeholder partnership?**

A multi-stakeholder partnership is “an ongoing collaborative relationship among organizations from different stakeholder types aligning their interests around a common vision, combining their complementary resources and competencies and sharing risk, to maximize value creation towards the Sustainable Development Goals and deliver benefit to each of the partners”. (More information [here](#)) (Yes/No).

**\* Sustainable Development Goals**

Please select which Sustainable Development Goal(s) the initiative is working towards (please select **all that apply**)

- 
 GOAL 1: No Poverty
- 
 GOAL 2: Zero Hunger
- 
 GOAL 3: Good Health and Well-being
- 
 GOAL 4: Quality Education
- 
 GOAL 5: Gender Equality
- 
 GOAL 6: Clean Water and Sanitation
- 
 GOAL 7: Affordable and Clean Energy
- 
 GOAL 8: Decent Work and Economic Growth
- 
 GOAL 9: Industry, Innovation and Infrastructure
- 
 GOAL 10: Reduced Inequalities
- 
 GOAL 11: Sustainable Cities and Communities
- 
 GOAL 12: Responsible Consumption and Production

-  GOAL 13: Climate Action
-  GOAL 14: Life Below Water
-  GOAL 15: Life on Land
-  GOAL 16: Peace, Justice and Strong Institutions
-  GOAL 17: Partnerships for the Goals

**\* Dates of the practice - Start Date & Date of Completion**

- DD/MM/YYYY – Start Date
- DD/MM/YYYY – Date of Completion (If ongoing, choose an expected date of completion)

**Was this practice approved for the First Open Call of SDG Good Practices?**

*If the practice was already approved and published in the SDG Good Practices database, there is no need to re-submit during the second open call. However, if there are important or critical updates to the practice, a new application could be submitted. Please, check if your practice was submitted here:*

<https://sustainabledevelopment.un.org/partnership/browse/>.

- YES
- NO

**[ONLY THOSE REPLYING ‘YES’ TO THE QUESTION ABOVE]**

**If the Practice was approved in the First Open Call, please, add the name of the practice here:**

*Please, note that any updates submitted through this form will replace the current content on the SDG Good Practices databank.*

**If the Practice was approved in the First Open call, please, add the link to the Practice below.**

Please, go to <https://sustainabledevelopment.un.org/partnership/browse/> to identify the link to your Practice from the SDG Good Practices databank.

## Details

### \* Introduction (Max 700 characters including spaces)

What the practice is about; brief description of background, context and beneficiaries.

### \* Objective of the practice (Max 850 characters including spaces)

Objective of the practice: Distinguishing feature(s) making it an effective response to the 2030 Agenda and the SDGs (e.g. integration of environmental, social, economic indicators; design for acceleration of progress or for reaching the furthest behind; interlinkages among the SDGs and targets; institutional changes; other innovative change in line with the transformative spirit of the 2030 Agenda., etc.

### \* Contribution to SDG Implementation (Max 600 characters including spaces)

Provide information about how the practice has been framed/adapted/tailored to support the SDGs and how it is contributing to the implementation and follow up of the 2030 Agenda. Practices that initiated before January 2016 MUST inform how they have been adjusted to incorporate the SDGs.

### \* Implementation of the Project/Activity (Max 1800 characters including spaces)

How the project/activity has been applied and executed. Should include information about planning and execution (activities) of the project. Should inform if monitoring mechanisms are in place. Should list resources utilized in the project, including financial, in-kind and human resources.

### \* Results/Outputs/Impacts (Max 1000 characters including spaces)

What are the evidence-based results and outputs (quantitative and qualitative) arising from the practice and how are they contributing to SDG implementation? Explain changes in status and trends (e.g. with relation to individuals, families or geographic areas). Unanticipated spill-overs - positive and negative, including how negative impacts were alleviated or mitigated. Longer term results to which practice contributes. Differential impacts including how to contribute to leaving no-one behind. Key messages including impact, what made the practice break new ground, and other lessons learned.

### \* Beneficiaries, Key stakeholders and partnerships (Max 450 characters including spaces)

Provide information about beneficiaries of the practices, key stakeholders engaged, and partnerships developed.

### \* Enabling factors and constraints (Max 650 characters including spaces)

Enabling conditions that helped the practice to succeed, including but not limited to financing, investment, technology, human resources and partnerships. Specific constraints that needed to be overcome during implementation and how this was done. Innovations that the practice may have brought about, or new ideas/technologies/ways of thinking that it was able to leverage. Cost/efficiency implications - benefits relative to costs.

**\* Sustainability and replicability (Max 1000 characters including spaces)**

Elements that are in place to sustain outcomes of the practice. Explain if/how the practice could be replicated to support SDG implementation in other places. Present any plans for extending the practice more widely or encouraging its adoption in other contexts.

**\* COVID-19 Impact and Support in building back better (Max 800 characters including spaces)**

Please, indicate if COVID-19 has impacted the implementation of this practice and any mitigation measures put in place. Please, also indicate how this practice can support in efforts to building back better from COVID-19 impacts.

**\* Other sources of information (Max 600 characters including spaces)**

Related websites, published articles or news stories, formal assessments, guidance notes or other documents that have drawn upon the practice. Links to YouTube videos and social media.

**Optional photos that illustrate the good practice**

Please include no more than 3 images. Pictures should include a brief description and credit. (Only image files (e.g.: .png, .jpg) will be accepted)
