

# ***Decade of Action SDGs: The role of the local and regional governments***

## **Basque Country and Province of Córdoba**

*It is proposed to hold an international virtual event co-organized between the Basque Country and the Province of Córdoba in order to exchange experiences, good practices, and define actions to accelerate work towards the 2030 Agenda and SDGs.*

**Date:** 14th September 2022

**Time:** 10am GMT-3 | 15pm GMT+2

**Format:** Virtual (Zoom Platform)

### **Objective**

This event aims to be a space for learning between peers through the exchange of good practices, learned knowledge and concrete experiences on the ways in which local, regional and national governments can work to advance the full implementation of the 2030 Agenda for Sustainable Development.

### **Structure of the event**

The event consists of a virtual conference starting with an Opening lead by the co-organizers Basque Country and Córdoba and an international organization which will introduce the importance for the decade of action for the SDGs. Secondly, there will be three panel discussions with participants from subnational governments, international leaders and other national governments regarding the planification of policies, the multi-level and multi-actoral governance and the monitoring of the achievement of the targets and the SDGs.

#### **1) Opening 10hs-10:10hs (ARG) | 15hs-15:10hs (SPAIN)**

- Welcoming to the event
- Presentation of the agenda, dissertations and structure.
- Brief words of the Authorities:
